Discounted rates may vary depending on the type of provider and service. True North Smiles is NOT insurance and is not intended to replace health insurance. You may cancel your plan after the first 30 days without any refund (residents of CA, FL, and OK are eligible for prorated portion of the fees). If you received services under the plan prior to cancellation, you may be responsible for paying your provider the differences between the discounted rate and your provider's standard rates for the services performed (excluding LA and WA residents).
